## **Team (Squad) Information**

Shooters may shoot on a team composed of members of other categories. However, the team will be shooting in the highest category represented in the team.

Example: If a team is comprised of 1 Pre-Sub, 2 Sub-Juniors, and 2 Juniors, the team will be competing in the Junior category. Moving up in age group is for team purposes only and does not affect a shooter's individual category with AIM.

## **Team (Squad) Class** (Online Zone Championship & AIM Grand Championships Only)

Using the individual classification table found on the previous page, Singles team classification will be based on the composite average of the five shooters on the team. The following classes will be used for penalty-classified shooters.

<b>Category</b>	<b>Penalty Class (Minimum)</b>	<b>Penalty Average (Minimum)</b>
