Buckle sponsored by Friends of Youth ATA Trapshooting

3. First Each Class

In Loving Memory of Jessie Schuh

It is with heavy hearts that we share the passing of Jessie Schuh.

Jessie served on the CCGC board for the past two years and dedicated the last three years to coaching at Century High School. In that time, he made a lasting impact on countless athletes and families through his encouragement, leadership, and unwavering commitment to the sport and the people around him.

Jessie's passion went far beyond the range. Whether he was coaching, supporting CCGC initiatives, he led with kindness, patience, and a genuine desire to help others succeed. His presence brought people together and strengthened our shooting sports community in meaningful and lasting ways.

When we wasn't volunteering his time, Jessie cherished being with his family. You could often find him shooting trap with his kids, or enjoying the outdoors—hunting, fishing, and camping together with family and friends and making memories that will be treasured forever.

We are deeply grateful for the time, energy, and heart Jessie gave to CCGC and to every student he took under his wing. His legacy will live on in the lives he touched and the community he helped build.

Jessie will be greatly missed by all of us.

Please keep his family, friends, and loved ones in your thoughts and prayers during this difficult time.

\$5.00 each 50	\$15.00

Options Information

Memorial & Sharptail Shoots

25's Options: Total pot is equally divided among each of the 4 traps. Shooter with highest score on that trap wins 60% of the pot, runner-up receives 40%. If two or more shooters tie, all tied shooters divide 100% of the pot for that trap.

50's Options: Total pot is equally divided among three-50s: first and second traps, second and third traps, and third and fourth traps. Shooter with highest score on that 50 wins 50% of the pot, runner-up receives 30%, and the third place receives 20%. If two or more shooters tie, all tied shooters divide the relevant winnings.

Lewis Purse: Shooters are ordered from highest score to lowest score, then divided into thirds to form 3 classes (e.g., top third, middle third, bottom third). Total pot divided equally among the classes. Highest shooter in class wins pot, and tied shooters divide the pot.

Skins Game: Similar to 25's Option, but if shooters tie on traps 1–3, the share of the pot for that trap “pushes” to the next trap. If a tie occurs on trap 4, shooters divide.
